

College NYA Program Progressing Well, But Is Misunderstood-Candill

(BY ALTON FAYNER)

There is on the Morehead State campus a project which is progressing so well that few people are acquainted with it, but nevertheless, a project of unusual merit and unusual distinction. We refer to the NYA program in effect. Under the direction of Vernie Candill, (identically an assistant of Morehead, aided and abetted by four other men in the person of Messrs. V. J. Brand, G. G. Gonsdore, and a wood shop superintendent, the NYA is functioning smoothly and efficiently. It is a charge of \$100.00 per month, and is co-ordinator of the whole works. Candill is a radio instructor and Chadfill project supervisor. At present there is a vacancy in the woodshop department. What do they do you ask? Well, now, their work is varied. During the past year they have

phers, are sought to fill some future position. Experienced, high type men, not less than eight and not yet thirty-five years of age and of good physical condition, according to the usual Army physical requirements, will be considered for this position.

Satisfies means Chesterfield
to smokers like you and me
it's the milder better-tasting cigarette
... the smoker's cigarette

Chesterfield has so many things a smoker likes so well that it's just naturally called the **smoker's cigarette**. You always enjoy Chesterfield's COOLER, BETTER TASTE... and they're really MILDER—not strong or harsh. Get yourself a pack of Chesterfields.

You can't buy a Better Cigarette
